Re: REQUEST FOR INFORMATION - CERCLA ACTIVITIES

Dear Ms. Thomas:

This letter serves as a request for information in regard to one disposal site reported to EPA under 103(c) of CERCLA and one site for which Conoco submitted a response to a 104(e) request. Information being requested includes the following:

- o Preliminary Assessment reports and sample data
- o Site Inspection reports and sample data
- o Public information dockets, including HRS score sheets, Documentation Records, Abstracts, etc.
- o Current status of response and cleanup activities
- o Applicable ROD updates
- o EPA news releases and fact sheets
- o Any applicable and available information not specifically addressed above

The sites for which information is being requested are:

- o Kin-Buc, New Jersey, NPL #157 104(e) response
- o Pitt Consol Chemical Plant (Conoco Inc.) 103(c) response
191 Doremus Ave., Newark, NJ

Please place my name on any mailing lists you may have in regard to these sites as well as any general CERCLA-type mailings.

If you have any questions or comments to this request, please feel free to call me. We appreciate your assistance in this matter.

Sincerely,

J. E. Cearley
